School Fete 2025

SUMMARY

What a wonderful community event our fete was! We are thrilled to share that it raised \$51k for the bike track upgrade.

Such events couldn't go ahead without the hard work of both the fete committee and the school community. Thank you all for your donations, and a special thanks to those who gave their time volunteering.

The FoWMS and school stalls were hugely successful. There was plenty of delicious baking supplied for our cake stall, which was well received and sold out in record time.

Our ever-popular sausage sizzle couldn't have gone ahead without James Polson and Amicus Group, who generously donated the use of a BBQ trailer and his barbecuing skills.

Finally, an enormous thank you goes to the incredible team on the fete committee lead by Jeanette Neal; Abbie, Adele, Amelia, Andi, Bec, Ellie, Emma, Hannah, Kate, Louise, Megan, Pippa, Sandra, & Sonja - you're all superstars!

What's New

FOWMS AGM UPDATE

Two of our long-standing members stood down from their roles at the recent AGM: Janelle McIntosh (chairperson) and Abbey Gradwell (secretary). Thank you for all your hard work, your contributions have been invaluable, and we are thrilled that you are staying on as FoWMS members.

NEW EPRO8 GEAR

Epro8 is a nationwide construction, electronic and engineering competition for primary school children. WMS children are now able to trial for the competition and will soon have access to the equipment during school time.

With the help of fundraising and a grant from SDC, WMS has recently been able to purchase a second construction kit and our first comprehensive electronic kit. Thank you to Mary Wiering for all your hard work on this.

We are really grateful to have this new equipment, and excited to see what the kids can build and make go!
